A Cambio de Colores Initiative
The Cambio Center at the University of Missouri - Columbia presents:

1st Student Midwest Latino Research Symposium: *Los Pioneros del Futuro*

**Date:** September 26-27, 2008

**Location:** Memorial Union, University of Missouri, Columbia, MO

As announced at the Cambio de Colores Conference 2008, this new and exciting symposium for students with Latino-focused research is sorely needed and will be a wonderful place for students to share their research with other students and faculty! Please consider attending and presenting at this forum for students involved in Latino related research initiatives!

**Goals of Symposium:**

- Share important state-of-the-art research regarding Latino issues
- Establish an identity for Hispanic/Latino issues in the Midwest region by creating a network of young interested researchers
- Identify future directions for research and practices related to Hispanic/Latino research in the Midwest region

**Benefits Gained:**

- Being involved in a working, interactive symposium – the first of its kind!
- Gaining experience in presenting research
- Networking with fellow Latino student researchers
- Presentations will be published in the web, and…
- Selection of papers will be invited to be a part of a printed publication!

**Target Population:**

- Graduate students from institutions in the Midwest region interested in presenting research with a Latino focus
- Open to all graduate level students interested in Latino issues
- Undergraduates are also encouraged to submit abstracts with a letter of support from their advisor
